શ્રીમાન/શ્રીમતિ,

નીચે મુજબના ઇ-મેલની વિગતે આપના તાબા હેઠળની તમામ શાળાઓને જરૂરી કાર્યવાહી અંગે જરૂરી સુચના કરશો.

Dear,

The Education Department, Gujarat has been doing persistent efforts to institutionalize the Innovation & Startup Ecosystem in the State through policy, platform, and processes. To augment the support system for nurturing student Start-ups in the State, second edition of Student Start-up and Innovation Policy (SSIP 2.0) was launched on 05 January 2022.

Under the Policy, various flagship initiatives have been envisaged through which youth can get adequate opportunities to harness their creative potential. We have pioneered various Open Innovation Programmes like hackathon and executed them at a large-scale.

The 6th Edition of "Smart Gujarat Hackathon" with special focus on Artificial Intelligence will be a step forward towards building smart and sustainable solutions to complex challenges. In this edition of hackathon around 15,000 students are expected to participate and work on problem statements. Challenges from various departments of the State Government, Public Sector Undertakings, Municipal Corporations, District Collectorate, District Panchayats and industries will be broadcasted to students across universities, institutes, and schools.

The program will feature problem statements from various sectors providing students with ample opportunities to engage in Artificial Intelligence and other emerging technology-based solution-oriented projects. Moreover, winning teams will not only receive cash prizes but also invaluable mentorship support from nodal officers of government departments and benefits from education department of Government of Gujarat, further encouraging their pursuit of innovation and excellence.

We request all students from your institute to actively participate in 6th edition of "Smart Gujarat Hackathon". This event presents a fantastic opportunity for students to showcase their problem-solving skills and innovative thinking. To get more details and further update regarding registration process and list of sectors students can visit the following link: <https://ssipgujarat.in/hackathon>. Teams must select a problem statement online after registration and login in the portal.

Last date for Team registration is **10<sup>th</sup> March 2025** and synopsis Submission is **14<sup>th</sup> March 2025**.

Kindly share this with all your students and faculty members so that they can participate in this event. For any query, please revert us at [ssipgujarat@gmail.com](mailto:ssipgujarat@gmail.com)
